PROFESSIONAL SUMMARY

Entry-level Software Developer skilled in Python, Flask, HTML, CSS and SQL, with hands-on experience in Back-end development, database management, and automation. Practical exposure to ML-based projects with proven problem-solving ability, effective team collaboration, and experience delivering scalable solutions. Dedicated to building efficient, user-focused applications and eager to contribute to dynamic, growth-oriented organizations.

EDUCATION

- **Master of Computer Applications (MCA)**
  Nizam College of PG, Basheerbagh **| 2023 – 2025 | GPA: 75%**

- **Bachelor of Physical and computer Sciences (MPCs)**
  Government Degree College for Women [A], Begumpet **| 2020 – 2023 | GPA: 89%**

ACADEMIC PROJECTS

- **Autism Detection Web Application**
  - Developed a machine learning–based web application using Python, Flask, and Pandas for early autism screening
  - Implemented data preprocessing, prediction logic, and RESTful APIs to enable real-time, accessible detection.
  - Designed a clean, responsive user interface to enhance usability and user experience.
- **File Organizer Tool**
  - Developed a Python-based automation tool to categorize files by type and date
  - Reduced manual file management effort by ~40% through automation
  - Improved file retrieval efficiency with structured directory organization
- **Portfolio Website**
  - Designed and deployed a responsive portfolio using HTML, CSS, and Bootstrap.
  - Showcased projects, technical skills, and GitHub contributions

TECHNICAL SKILLS

- **Programming**: Python, SQL (Oracle)
- **Frameworks & Technologies**: Flask, REST API Development
- **Front-end**: HTML5, CSS3, Bootstrap
- **Tools**: Git, GitHub, VS Code, PyCharm
- **Core Concepts**: API Integration, Debugging, Code Optimization, Responsive Design, Agile Development

CERTIFICATES

- Database Programming with SQL – Oracle Academy (2023)
- Python AI Tools Workshop – AIforTechies (2025)
- HTML & CSS Certification – StudyTonight (2024)

ADDITIONAL STRENGTHS

- Strong academic performance with consistent results.
- Quick learner with strong problem-solving ability and adaptability to new technologies.
- Effective communication and team collaboration skills.
